VOL. XXIII, NO. 1

WETASKIWIN, ALBERTA, THURSDAY, MARCH 23, 1933

V. C. French, Publisher

## Bigstone Lowers Mill Rate ---Cuts Fees and Wages

The first meeting of the new council, M.D. Bigstone No. 459, was held at Lone Ridge on March 13th. The secretary read statement by Returning Officer, Mr. L. L. Franklin, showing that the result of the recent elections in Divisions 2, 3 and 6, were as follows:

Div. No. 2—M. H. Unland, elected by acclamation.

Div. No. 3—P. Nelson, elected by majority of two votes.

Div. 6—B. Green, elected by majority of five votes.

Councillors Unland, Nelson and Green then took their oaths of office.

Coun. C. J. Hanson was again elected as reeve by a unanimous vote. The Reeve called on the secretary to read the minutes of the regular meeting of February 13th, and of the special meeting of February 15th. These were adopted as read on motion by Coun. Strohschein.

Secretary read correspondence re Mrs. Rudolf Miller. As the statements of Mrs. Miller and her father were conflicting it was found necessary to make further temporary arrangements for the care of Mrs. Miller. It was moved by Coun. Green that E. Yitz be allowed \$2.50 per week to provide food and shelter for Mrs. Miller and child until further arrangements could be made. Motion was carried. Secretary was instructed to take the matter up with Mrs. Miller's father and arrange a settlement.

Secretary brought before the Council the proposed by-law to appropriate land for road purposes through Sec. 34-27-14. On motion by Coun. Green this was tabled for the present pending investigation as to the advisability of expropriating this land at the present time. Motion carried.

Application for old age pension by Ben E. Cummins was read. This was held over until next meeting, pending further necessary information.

Secretary read correspondence from College of Physicians and Surgeons re Dr. Hankin's account. Motion by Coun. Strohschein that Coun. Green be appointed to interview Dr. Hankin with a view to settlement. Carried.

Appeal from the Beulah Home was read appealing for assistance for the coming year. As the Municipality had some responsibility in this connection a motion was made by Coun. Strohschein that a grant of \$10 be given. Motion carried.

Motion by Coun. Strohschein that arrangements be made with the Cooke Drug Co., Wetaskiwin, and the Allin Drug Store in Millet, to supply gopher poison to residents of the municipality who apply to these stores for same. The municipality to meet the cost of same from general revenue.

Coun. Unland moved that the Council as a whole and the secretary constitute a Board of Health for the year 1933. Carried.

Motion by Coun. Rickard that Reeve Hanson and Coun. Strohschein be appointed to represent this municipality as members on the Wetaskiwin Community Hospital Board. Carried.

On motion by Coun. Unland the following appointments were made: Medical Officer of Health, Dr. A. S. McColgan.

Auditor, J. H. Walker.

The following motion was made by Coun. Strohschein: "That this Council shall meet on the 15th of each and every month except when the 15th falls upon a Sunday or other legal holiday, in which case the meeting shall be held on the next following day that is not a Sunday or other legal holiday. That the meeting shall commence at 11 o'clock in the forenoon and shall be held in the residence of Mr. L. G. Olson, on the S.E. 16-46-26-4. Motion was carried.

Motion by Coun. Unland that the fees for Councillors be \$3.50 per day for meetings, \$3.50 for supervision of roads and 8 cents per mile of travel. Amendment by Coun. Green that fees be \$3.00 for meetings and \$4.00 for supervision of roads and 8 cents per mile. The amendment was lost.

It was moved by Coun. Strohschein that in line with other reductions that the salary of the secretary should be reduced by \$100.00. Motion carried.

Moved by Coun. Rickard that the scale of wages to be paid for labor throughout the Municipality in 1933 be as follows:

Man only, 25c per hour; man and two horses, 40c per hour; man and four horses, 55c per hour. Motion carried.

Estimates of expenditure for 1933 as submitted by the secretary were brought under discussion. It was agreed by the Council that the amount of levy should be 12 1/2 mills, setting aside 6 mills for general account, and 6 1/2 mills for public works.

Moved by Coun. Rickard that O. G. Olson be engaged as weed inspector for the season 1933 at a remuneration of \$2.75 per day and a total number of days not to exceed 30 days in the season. Motion was carried. Secretary was instructed to notify Edmonton and other hospitals that this municipality had now become a part owner in the Wetaskiwin Community Hospital.

Application for relief was received from J. Pallatka. Secretary was instructed to notify him that his case would be taken care of under the scheme whereby the M.D. would purchase cord-wood from him at \$1.00 per cord.

Coun. Strohschein gave notice that at the next annual meeting of ratepayers he intended to introduce a motion that in future, Councillors

(Continued on Page 4)

And the Faster - - the Better!

## Weddings

### HAGSTROM-ROTH

On Saturday, March 18th, at 4 p.m., a pretty wedding was solemnized at the Baptist parsonage, when Rev. P. M. Meyer united in holy bonds of matrimony, Edna Florence, daughter of Mr. and Mrs. Samuel Roth of the Gwynne district, and Nels Olaf, son of Mr. and Mrs. N. J. Hagstrom, also of the Gwynne district.

### JEALOUSY BLAMED IN ATTACK ON BAKE

Edward Gordon Gunner, 15-months-old son of Mr. and Mrs. Ruben Gunner of the Gwynne district, will be disgraced for life as a result of an alleged jack-knife attack on his face by his aunt, Mrs. Margaret Ellen Gunner, on Sunday evening last.

Mrs. Margaret Gunner, charged with assault causing grievous bodily harm, is held at R.C.M.P. cells in Edmonton until Monday next, when she will be brought before R. M. Angus, police magistrate, for trial.

Jealousy is believed by police to have been the cause for the incident. The disfigurement occurred at a birthday party at the home of Otto R. Burkhardt, a neighboring farmer, where both the Gunner families were guests. The child, following the evening meal, was placed on a bed in a room adjoining the dining room.

Suddenly the child screamed and the mother rushed into the room, meeting it, it is alleged, Mrs. Margaret Gunner coming out. The mother found her child slashed in both cheeks, in the throat near the jugular vein, and in one corner of its mouth. Dr. T. B. Stevenson, Wetaskiwin, was called and he made the trip by car and sleigh, taking the child back to hospital with him.

Mrs. Margaret Gunner in the excitement, disappeared and she was arrested on Monday by R.C.M.P. Constable Crouch on a complaint signed by the mother of the child. The arrest was made at the accused's home where the policeman found it necessary to break down the door to reach the woman. It is reported that she handed over the knife with which the disfigurement was caused and freely admitted the offense, but stoutly denied that she had any intention of murdering the child. The latest reports are that the child is doing nicely.

The local branch of the Alberta Provincial League will hold its March meeting at the Swedish Mission Church on Friday, the 24th, at 3 p.m. Rev. Landersdal, pastor of the church, will speak. There will also be some musical selections on the program.

## Town Topics

Mrs. Gus Schmuland has been visiting her mother, Mrs. Smith of Hay Lakes.

Miss Annie Buskas of Maimo, was the guest of Miss Evelyn Erickson last week.

Miss Evelyn Erickson and Mr. E. Erickson spent a few days visiting friends at Maimo.

The W.A. of Immanuel church will meet at the home of Mrs. S. Cole on Tuesday, March 28th, at 4 p.m.

Mrs. H. J. Montgomery, Alberta president of the Women's Institute, was at Lethbridge during the past week attending a W.I. conference.

A number of friends gathered at the home of Mr. and Mrs. Victor Erickson last Thursday evening, and a very enjoyable time was had by all.

G. Baker represented the M.D. Montgomery and C. J. Hanson represented the M.D. Bigstone at the hall insurance conference held in Calgary last week.

The Board of Trade card party and dance on Friday evening of next week at the Briard Hotel, promises to be the most enjoyable event of the season. Features will be novelties, noise makers, as well as vaudeville attractions by Mrs. Ebnan's School of the Dance. Everybody is invited.

The regular meeting of the W.I. will be held in the Institute rooms Thursday, March 30th at 3 o'clock. Mrs. J. Bleiler, convener of agriculture, has been able to secure a speaker from Lacombe, who will talk on laying out and planning of gardens. A cordial invitation is extended to all who are interested.

Mrs. Elizabeth Craig arrived home on Thursday last, after spending the last three months at the home of her son and daughter-in-law, Mr. and Mrs. Carl Munro of Verdant Valley, near Drumheller. She also visited friends at Millfield and East Coulee. Mrs. Craig reports that there was no snow all winter, and was surprised to see the amount of snow in Wetaskiwin district.

The regular meeting of the Golden Glow C.G.T. group was held on Monday, March 20th. After the opening, minutes and roll call, business was disposed of. Plans for the future were made and a schedule for the coming meetings was planned. The plans appear to be very interesting and the girls are looking forward to an entertaining and instructive program. The girls then sang "Taps" and walked to the Hospital and presented an autograph quilt for the children's ward.

## Obituary

### MRS. EMELIA SCHNEIDER

Another of the pioneers of the Wetaskiwin district died at her home near Brightwin on Saturday last in the person of Mrs. Emelia Schneider. She was born in Russia eighty-one years ago, and came to the Wetaskiwin district about twenty-five years ago from the United States. The cause of death is given as pneumonia. Her husband pre-deceased her several years ago and she leaves a grown-up family. The funeral took place Tuesday afternoon, service being conducted in the Brightwin church by Rev. Mr. Ohliger. The interment took place in the Brightwin cemetery.

### HANS J. JOHNSON

In the passing of Hans J. Johnson the Brightwin district lost one of its early settlers. He emigrated from Sweden about twenty-five years ago and landed at Wetaskiwin. After having looked around and investigated opportunities of free land, he filed on a homestead four miles north of Lone Ridge hall.

His wife, who had remained in Sweden, arrived here the following year, and together they took up the struggles and privations and arduous toils connected with pioneer life.

Mr. Johnson was a strong man physically, and a hard worker. Besides attending to his own farm, he spent considerable time helping his neighbors erecting such buildings as they needed and could afford on their farms. But in spite of his strong constitution, his health failed him, and for the last ten years he has been an invalid. He was not bedridden, but was unable to do any manual labor. On March 5th he was taken violently ill, and in the course of a couple of hours he passed away, being in his 61st year.

The funeral was held at his home on March 10th. In spite of inclement weather and drifted roads a large number of neighbors and friends were present to pay their last tribute to the departed, and to convey their sympathies to the bereaved widow, who now is left quite alone, having no kin or relatives in this country.

His earthly remains were laid to rest in the Grandview cemetery, located on a beautiful hillside about six miles north of Lone Ridge hall. Rev. O. Asper of Wetaskiwin, officiated.

The dance given on the evening of St. Patrick's day under the auspices of the L.O.L. was quite successful in every way.

A. B. Gentz informed The Times this week that he had hatches of chicks hatched Saturday by both hen and incubator.

## V. E. Thompson Elected Reeve M.D. Montgomery

The statutory meeting of the Council of the Municipal District of Montgomery No. 453 was held in the Council office on Monday, March 13, with all the Councillors present.

The Returning Officer declared the results of the elections held on Feb. 25th, as follows:

Votes cast in Div. 3—For C. R. Shantz, 111; E. B. Switzer, 75.

In Div. 4—Richard Ballhorn, 91; A. Sommers, 92.

C. R. Shantz and Richard Ballhorn were duly elected to the Council.

The Returning Officer then asked for nominations for Reeve.

Moved by Coun. Johnson that Coun. Thompson be Reeve.

Moved by Coun. Shantz that nominations close. Carried.

Coun. Thompson was declared Reeve for 1933.

Coun. Ballhorn thanked the Council for the loyal support accorded to him during the terms of office that he had held as Reeve and bespoke the same support for the new Reeve.

Coun. Thompson thanked the Council for the honor bestowed upon him, and assured them that he would serve to the best of his ability. He asked the Council to pass a resolution fixing office hours.

Reeve Thompson then took the chair.

Moved by Coun. Ballhorn that Coun. Johnson be Deputy Reeve for the first six months of 1933.

Moved by Coun. Lundeen that nominations close. Carried.

Coun. Johnson was declared Deputy Reeve.

The minutes of the last regular meeting of the Council were read and adopted.

The application for an old age pension of Johnson Thirsk, which had to be held over from the last meeting, was reported on and found to be in order, and that there was no doubt as to the age of the applicant by evidence produced. Moved by Coun. Shantz that this Council recommend to the Board that a pension of \$15.00 per month be paid. Carried.

Correspondence was read from the following and disposed of as usual: Community Hospital notifying the Council it would be necessary for the Board to borrow sums of money from time to time to meet current expenditures. This would require, under the legislation and agreement establishing the Board, a guarantee

to the Bank. The maximum sum asked was \$6,000.00.

Moved by Reeve Thompson that: Whereas the Board of management of the Wetaskiwin Community Hospital requires to borrow money for the purpose of meeting its current Bank of Montreal, Wetaskiwin, for a expenditures and has applied to the loan not exceeding \$6,000.00 for such purpose.

It was agreed that the district guarantees the due payment of the sum not exceeding six thousand dollars; that the Reeve and Secretary Treasurer be authorized to execute such guarantee.

The Indian Agent, Hobbems, re certain damage that had been done to certain property belonging to the Indians, through the Municipality allowing brush to remain on a road line and thus causing drifts of snow on the road allowance, persons wishing to use the road testing down the fences and trespassing on Indian property, and through their neglect in leaving the fences open allowing cattle, etc., to get at grain and hay belonging to the Indians and that such damage be made good. The Secretary was instructed to write the Indian Agent and inform him that this Municipality can accept no responsibility for this damage.

The Alexandra hospital re an account of an indigent, C. Johanson. Moved by Coun. Lundeen that this account be paid. Carried.

The Soldier Settlement of Canada tendering part payment of a hall insurance premium and a letter from the Manager of the Hall Insurance Board advising the Council to accept in part payment. Moved by Coun. Shantz that the payment be accepted as suggested. Carried.

The Millet S.D. asking that necessary action be taken in the case of J. E. Orn to ensure collection of the "reported arrears" on S.S. 23-47-224. A letter was read from the Soldier Settlement of Canada advising the Council that they had written the Millet School District in Sept. 1932, offering to pay the 1931 arrears without penalty, and that they had never had a reply from the School Board. The Secretary was instructed to write the School District and suggest that they accept the offer made to them as quickly as possible, as it cannot be renewed after March 31st.

The Morrow Lumber Co. re supply (Continued on Page 4)

## Livestock Commissioner Is Guest Speaker at Kiwanis

Tuesday evening's meeting of the Kiwanis club, held at the Briard, was well attended. It was in charge of the Agricultural Committee, with Kiwanian E. R. Rasmussen in the chair.

Mr. S. G. Carlyle, Livestock Commissioner of the Province of Alberta, gave a short but forceful address on "The Importance of Livestock." He stated that Alberta is the greatest coming livestock province in Canada. Our province can excel in wheat, bacon and beef cattle. Greater attention should be paid to quality product. It would pay us to market select hogs rather than butcher hogs and obtain 2c per lb. higher price. Since the formation of Livestock Clubs in certain sections of the province, a marked improvement has been noticed in the quality of livestock produced in those sections.

In some farming sections of Central Alberta, cattle from the ranches of Southern Alberta are now being fed and finished for the market. In the Lacombe district 1200 young cattle from some Alberta farms are being so finished at the present time.

Alberta as a whole is not a dairy province, although in the district between Calgary and Edmonton, dairying is carried on quite extensively. The dairy districts lend themselves to the growing of hogs. Our supply of dairy products must be staidier if we are to form an important place in the British market. In 1924 Alberta produced 22 million pounds of butter; in 1928, 14 million pounds; and in 1932, 23 million pounds. Our output varies so much that we are in and out of the market and this places our product at a disadvantage compared with a country like Denmark, where the supply is steadier and more dependable.

The next speaker was Mr. G. S. Black of the Alberta Department of Agriculture. Mr. Black is in charge of School Fairs and Boys' and Girls' Club Work. The two underlying ideas in connection with these clubs are, firstly, to make better citizens of the boys and girls, and secondly, to improve the quality of livestock in the district in which the club may be located. At least ten boys or girls under the age of 21 are required to form a club. The animals are furnished to the members in the spring, and they have the feeding and caring for these animals until he fall, when the awards are made, perhaps at a School Fair if one is being held. During this time of feeding, some occasional instruction is given on by an officer of the Dept. of Agriculture. A team from each of the following sections, namely the dairy section, the Calf Club, the Swine Club and the Grain Club is given a free trip to the Royal Show at Toronto.

To show that Alberta livestock needs improvement in quality it was mentioned that only 7% of Alberta hogs grade select, whereas 25% of Ontario hogs make this grade.

In conclusion the speaker suggested that the Kiwanians sponsor either a Calf Club or a Swine Club, and subsequently the matter was referred to the Directors for further consideration.

During the meeting, Mr. Davidson of Calgary, rendered a couple of solos in a very pleasing manner. The club singing was led by Kiwanian Janzen with much pep.

## The Times Was Established Here Thirty-two Years Ago

On Monday last (March 20th) The Times completed its thirty-second volume, the first issue having been published on that date in the year 1901. We have, therefore, seen Wetaskiwin grow from a hamlet to the enterprising commercial center it is today. During all these years, The Times has taken an important place in the life of the people. We have always supported every movement which we deemed in the best interests of the community, and have endeavored to record the happenings, week by week, in a faithful and impartial manner, ever rejoicing in the triumphs and sympathizing with those who were called upon to go through adversity.

The past year has been a trying one in many respects, but we have tried to maintain a spirit of optimism, fully believing better times are ahead and that we will eventually win our way out, as we have in the past. We should not be down-hearted and discouraged. Let us do our little bit, maintain a spirit of hopefulness and optimism, and thus assist in bringing about a return of normal conditions.

We are in the unique position of being the only publisher in Western

Canada who has edited and published the same newspaper in the same community for thirty-two consecutive years. We are proud of this distinction, but this achievement was only made possible by the co-operation, loyalty and support received from the people of Wetaskiwin and the surrounding district, who have made it possible for us to publish a newspaper which is recognized as one of the best in Western Canada. We have much to be thankful for, and we desire at this time—the passing of another milestone—to express our deepest appreciation to our subscribers, advertisers, and all those who patronized our commercial printing department during the past year.

We sincerely trust business conditions will be greatly improved in the near future, and with the continuance of the generous support we have received, it will be our earnest endeavour to maintain the high standard of The Times and to make added improvements as circumstances will permit. The Times is the People's Popular Paper, and it is our policy to treat everyone fairly. The Times is your own paper and you are cordially invited to use it at all times.

## As Seen From the Gallery of the Alberta Legislature

Possibly one of the greatest sensations created in the Alberta Legislature during the last twenty years was when the Liberal leader, W. R. Howson, charged grave irregularities in the administration of the Works Department, over which the Hon. O. L. McPherson presides.

Charging grave irregularities in the provincial highways department of such a sweeping nature that they amounted to "a scandal and a crime" and declaring that of forty-nine contracts let in the past two years for highway construction only nine have been let by tender, and that in the remaining forty gross overpayments had been made in every instance, W. R. Howson, Liberal leader, caused a sensation in the legislature on Wednesday afternoon when he charged deliberate falsification of "engineers' records to cover up the irregularities and called upon the whole government to resign.

Mining no words in his charges, and quoting from the official replies tabled in the legislature to questions asked by him earlier in the session as his authority, the Liberal leader threw the front benches of the government supporters into a fever of excitement and left the rank and file of the U.F.A. members sitting stunned and speechless in their seats.

In bringing his charges of dishonesty against the administration of the department, Mr. Howson said he did so after consideration and in full realization of his position as the leader of a party and of his duty to that party both within and without the house.

His attack was sweeping and far reaching. Overpayments in yardage of loose rockwork, overcharges in solid rockwork, overcharges in clearing and grubbing operations, and finally a scandalous amount paid out for "extras" on the contracts were all charged by the Liberal leader, who called for a full and complete investigation of the Public Works department immediately.

"It is a scandal and a shame. Thousands upon thousands of dollars of the taxpayers money has been thrown away," he said, "and contracts instead of being let by tender have been handed out to the government's favored few among the contractors."

"I have no hesitation in saying that the highway construction in Alberta under the minister of public works is a scandal," he continued. "From a return made by the department the last two years there has been 49 contracts let; of these only nine have been let by tender. Why has the Minister of Public Works not been letting these contracts by bid? The return shows the reason, for I find that in every instance when making settlement with the contractors the amount allowed is tremendously in excess of the amount given in the contract."

U.F.A. Legislator Declares Brownlee Has "Got His Goat"

The onslaught was delivered by Milton G. McKeen, U.F.A. member for Lac Ste. Anne, who had some harsh things to say about the estimates in the house Tuesday night. Opening his verbal fire upon the premier, Mr. McKeen stated that the last 10 or 15 minutes of the premier's address at the afternoon sitting had "got his goat." When a speaker could talk so easily about optimism, it was too great for even the member's imagination.

"More and more people are going on the bread line, children are undernourished, yet we have been hearing for a long time about prosperity being around the corner," said Mr. McKeen.

The Premier's reference to conciliation boards to deal with debt adjustment drew a protest from Mr.

McKeen. "It is like adding insult to injury," he said.

Speaking in the legislature on Wednesday afternoon, A. P. Mitchell, Liberal member for Leduc, said:

"The member for Lac Ste. Anne gave us a sort of surprise last night. It seems so comforting to the members on this side to hear at least one member of the government side speak his mind, independent of politics. I am sure that a few others feel the same way and they have not the courage of their convictions and therefore keep quiet."

D. M. Duggan Conservative leader, on Monday proposed a federal loan council to guarantee refunding issues of western provinces.

Declaring that the provincial telephone system should be put upon a sound financial basis, Mr. Duggan charged that the rural extensions policy and the base rate had been influenced by political considerations instead of sound economic principles. Naming of a house committee of

southern Alberta members to study and investigate the Leduc-Northern project and report at the next session, was called for by the Tory chief.

F. R. Falconer, Liberal for Athabasca, advocated tax revision and a large share of provincial revenue for municipalities, when continuing the debate upon the budget in the legislature on Monday. He also showed need for smaller farms and more farmers in this province.

F. C. Moyer, Independent from Drumheller, demanded that the Government protect the coal mining revenue, stating that many were hard pressed.

J. M. Dechene, Liberal member for St. Paul, on Friday afternoon made an eloquent plea in asking the government, regardless of politics, to give a larger consideration to the people who are suffering as a result of the times. He claimed that because he was not a supporter of the government discrimination was evident in his constituency. He stated that while the premier sought co-operation on the floor of the house, co-operation was forgotten when the members went back to their various constituencies.

THEUDAS.

## Alberta News Letter

(Issued by the Publicity Commissioner, Government Buildings, Edmonton, March 18th).

Alberta Now Has Cattle Trade Mark

For the first time in the history of Canada live cattle will this spring go to market with a registered trade mark stamped on each animal. The trade mark will be "RL" in a six-inch circle in red paint, and will stand for Red Label. The Red Label Beef Association of Southern Alberta after long effort, and with the help of Hon. George Hoadley, Alberta Minister of Agriculture, has secured a federal government trademark for Red Label beef animals. A certain standard is being set before the trademark may be placed on any of the animals, and only those animals in any lot which come up to "RL" standard will get the mark. "The Red Label Association is the only organization in Canada which is in a

position to breed, feed and market the kind of cattle Old Country consumers want" said W. R. Brown, of Brown Abbotter Co., Manchester, England, cattle importer, a recent visitor to Alberta.

Confidence Shown in Cattle Industry Cheering evidence of confidence in the Western Canadian cattle industry has been shown by directors of the Round T Ranch Company, Limited, who have decided to stock the Round T ranches to the limit of their carrying capacity. This has been the result of a recent meeting of the directors of the company in Rochester, New York.

Alberta's Hog Marketings A heavy year in hog marketings was recorded in 1932, in Alberta, which has now come to be recognized as one of Canada's hog provinces. More than 1,000,000 head went to market from the farms, or more than 24 per cent of the total of all Canada's hog marketings for the year. Three years ago, Alberta's total hog marketings amounted to only 25.63 per cent of Canada's total. Last year more than \$50,000 head of live hogs were shipped out of the province, mostly to eastern Canada, while 425,000 hogs were slaughtered within the province.

## School Fairs

A total of 122 school fairs were held in the province in 1932, according to the annual report of the department of agriculture at Edmonton. A total of 22,781 pupils were involved, with 101,736 entries of exhibits.

## Joint Censor Board

Power for Alberta to join with other provinces in establishing a joint board of motion picture censors, is given in a bill to amend the theatres act, which has been introduced in the legislature. Another important section of the act empowers the government to require that a proportion of the films shown in theatres in this province must be of British manufacture.

## Exchange Wheat for Seed

More than 60,000 bushels of registered seed grain, most of it wheat, have been distributed among farmers in the province under the seed grain exchange policy inaugurated by Hon. George Hoadley, minister of agriculture. Under this plan it has been made possible for farmers to exchange commercial grain from their farms for seed grain on the basis of a premium of 85 cents a bushel for the seed over the current market price. Thus grain instead of cash is taken from the farmers for

the seed. The distribution of the 66,000 bushels under this plan has been very widespread, covering 36 points from the south-eastern part of the province to Fehler in the north. The grain distributed includes 47,000 bushels of seed wheat, 17,000 bushels of seed oats and about 2,000 bushels of seed barley. It is expected that some 15,000 bushels more of oats will be distributed.

## Unemployed for Farms

An extension to April 15 of the arrangements for placing of single unemployed men on farms is announced by A. A. Mackenzie, chairman of the Alberta Relief Commission. Should the spring prove a late one, a further extension may be granted, provided the arrangement does not give signs of interfering with the normal absorption of labor for spring farm work. Already nearly 1,200 single unemployed men have been placed on farms under the relief commission arrangement, at different parts of the province.

## Work of Public Health Nurses

The reports of the nursing branch of the provincial health department for 1932 under the direction of Miss Kate Brighty, the child welfare clinics, the travelling clinics and the district nurses, reflect the widespread activities of these mediums for health propaganda. More than 13,000 children were given attention in the permanent child welfare clinics held in Edmonton, Calgary, Medicine Hat, Vegreville and Marquis Municipality. The number of clinics held was 352, and a total of 3,452 home visits were made. The district nurses made a total of 2,118 home visits and had 2,175 office consultations. The num-

## A 115-Year-Old CANADIAN INSTITUTION

## That Is Still Young

The strength of Canada is in her youthful, pioneering, ever forward-facing, courageous spirit, tempered with old wisdom. Canada's strength is the composite strength of her constituents—institutions as well as individuals.

The Bank of Montreal, 115 years old and true to Canadian history and tradition, applies its experience and adjusts its service constantly to changing conditions, to the end that it may provide safe, helpful and convenient banking for the people and business of the Dominion.

Come over to the SUNNY SIDE OF LIFE

Do you want to feel always at your best? To meet each day with fresh vitality? You can. For when you're healthy, you're happy.

A delicious cereal provides the "bulk" that is so important in overcoming common constipation.

Tests show Kellogg's ALL-BRAN also supplies vitamin B to further aid regular habits. In addition, ALL-BRAN is twice as rich in iron as an equal weight of beef liver.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. What a relief to enjoy an appetizing cereal instead of taking patent medicines!

Serve as a cereal or use in cooking. Directions on the red-and-green package. Sold by all grocers. Made by Kellogg in London, Ontario.

ALL-BRAN

ber of medical cases they handled was 1,619 and the number of surgical cases 575. The travelling baby clinic which made an effort to serve outlying districts to a greater degree, visited 67 districts and gave attention to 1928 infants and pre-school children. Pre-natal and post-natal advice by mail was given to more than 900 by the nursing branch. Extensive immunization campaigns have been carried on in municipalities and improvement districts. Since 1925 about 50 per cent of the children of school and pre-school age have been protected against diphtheria through inoculation with toxoid.

## Home Bureau Services

Nearly 4,000 women attended demonstrations and lectures provided by the Women's Bureau Service of the provincial department of agriculture in 1932, according to the annual report of the acting director, Miss M. E. Storey. Courses were given at 105 points, under the auspices of the Women's Institutes, U.F.W.A., and similar organizations. The usual short course of one week for farm

## Young Girl Takes Iron Gains Ten Pounds

Bertie Grove, age 12, was badly underweight. After taking Vinol (iron tonic) she gained ten pounds. It gave her appetite and rosy cheeks. Children like Vinol. Cooke Drug Company.

When you need printing in a hurry. When it simply must come through. When the job is mighty particular—Let The Times do it for you!

## Dull Aches In His Back Terrible Pains In Bladder

Mr. James E. Dowdle, Bath, Ont., writes:—"I had such a terrible backache I became nearly crippled, and had to quit harvesting."

I could not lie still at night, and had terrible bladder pains.

The lady of the house told me to get a box of Doan's Backache Kidney Pills, which I did, and was feeling better after the first few doses, and I have not been bothered since I finished the one box."

For sale at all drug and general stores, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

### Starting Seed Indoors

With many flowers and vegetables from two to three weeks can be saved if the seed is started indoors. Indeed, in districts where the growing season is rather short certain things must be grown in this way if bloom or maturity is to be guaranteed. Among the flowers are pansies, asters, marigolds, petunias, cosmos, larkspur, stocks and snapdragons, though with the possible exception of the petunia and aster in the warmer sections of the Dominion good results can also be secured from seed sown in the open ground. With vegetables there are peppers, tomatoes, cabbage, cauliflower, egg plants, Brussels's Sprouts, broccoli, celery and head lettuce. Naturally, when sown under glass in March, and set out as well started plants in May, such things are away ahead of seed sown in the open ground after the spring frosts are over.

### A Hot Bed

Many people regard this starting of seed indoors as a messy and unsatisfactory business, but it need not be so. The best arrangement is a hot bed, though where only a few plants of each variety are required a shallow box in a sunny window will be sufficient. A hot bed simply consists of some old window, laid on a wooden frame about 18 inches high, with two inches of fine garden soil on a layer of fresh, slightly strawy horse manure or some other heat providing material. Before being placed in position the manure is piled in a covered place and turned daily for a week or so to prevent burning. In an open place and facing south dig a pit of the same dimensions as the window frame and about a foot deep. Into this put the manure. (If frost prevents digging simply pile on top of the ground). The layer of manure should be about 18 inches thick when well pressed down. It is held in place by the sides of the pit and the frame. On top is placed two inches of light garden soil, preferably mixed with a little sand. The window is fitted snugly into place on top and should be about nine inches above the soil at the front and 15 inches at the back to allow rain to run off and also to catch the full rays of the sun. At first the soil will heat up rapidly but in about three days it will have cooled down to around 80 degrees which is the proper temperature. The seed is planted in rows about two inches

apart, and the bed watered frequently. On warm days it will be necessary to ventilate by raising the window frame as high or so. When the second set of leaves develop, thin. About three weeks before going outside, the seedlings are transplanted to a cold frame, which is the same as a hot bed only without the heating manure, where they are hardened thoroughly before being set out in their permanent quarters.

When started in the house, the procedure is practically the same, only of course, no heating material is needed. Boxes about three inches deep are filled with a mixture of sand and light soil and placed in a bright window, where, preferably, there is a double glass, to prevent cold draughts at night.

### Pruning Bushes, Shrubs and Trees

A good deal of pruning can be carried out in late winter and early spring. As a general rule the object is to remove all dead branches, as well as any growth that is interfering or unwanted. As raspberries only produce fruit on the canes grown during the previous year, all two year old shoots should be taken out sometime between the time of fruit picking and the next spring. In addition it is well to go over the patch in late spring and cut back any shoots which the frost has killed or injured. To prevent excessive "bleeding" grapes must be pruned before the sap starts coming up in early spring. Fruit is borne on the new wood each year, so remove all but a mere framework of the older growth. With fruit trees the special objects of pruning are to let in light, and develop a wide circumference of outside growth. Late blooming shrubs and practically all of the hardy roses are also pruned in early spring. With the former, weak, older growth should be removed and any ungainly shoots which mar the general effect. As rose bloom comes on the new wood, the old growth should be cut back severely.

Among the best flowering shrubs recommended for Canadian conditions are: (hardy types) Spiraea, Russian Pea Shrub and Camogana — (less hardy) Forsythia, Japanese Rose, Mock Orange, Hydrangea, Honey-suckle, Lilac and Weigela. Among small flowering trees are: European Mountain Ash, Double flowered crab, Yellow wood, Catalpa, and Japanese tree lilac.

did justly take small tribute from us, they come have taken well, for they have sold our bullocks and paid us for calves. Our corn and our swine have not paid our taxes. We have learned what burdens are."

14. And Ufa waxed wroth and sought for Co-op that he might send him home to feed his swine, and Co-op was not to be found for he had swollen up and busted and died.

15. And Ufa hath builded unto him many monuments in many places on which is this inscription, "Thou wert a disgrace to thy mother Alberta, even as the patrons of industry, thou didst promise much."

16. And the tribe of Ufa hath turned the promised land of milk and honey into a land of Booze, Sterilization and High Taxation.

17. Then Ufa prayed the people to forget, saying, "I will change my name and improve the Merchants, even the sons of Bishas, to return to the market places to buy and sell."

THADDAEUS.

### ENFORCED REST

"Probably the enforced rest has much to do with this" is the closing sentence of a report which deals with the results of supplying a half-pint of milk daily, during the morning, to a group of English school-children.

It was noted that the greatest gain in weight was made by a boy who, on account of a broken limb, was forced to rest in hospital. Other children treated in hospitals or convalescent homes, also made considerable gains, and so the conclusion was arrived at that the added rest, which in those cases was taken of necessity, was an essential factor in the children's gain in weight.

The value of milk as a food is not questioned. Every child needs a sufficient quantity of properly selected foods, among which milk will be included, if he is to secure good physical development. The point is that other things besides food are essential to proper growth and development. This is as true of adult health as it is of child health.

Good food cannot be turned into good building material or nourish the body properly unless attention is given to the other needs of the body. The tired body is not able to do its part, and so it is that the chronically tired person is generally a poorly nourished individual.

When a group of physically sub-normal children are given additional rest, usually through lying down for an hour after the noon meal and a regular earlier bedtime, the physical improvement which takes place in a short time is remarkable. Such observations lead to the conclusion that sufficient rest is of equal importance to adequate food in the promotion and maintenance of nutrition.

Neither rest nor food will meet the need if there is a lack of fresh air and exercise. Use, not disuse, makes the body strong and capable. Abuse

is the other extreme which causes harm. Moderation is desirable. It is from general care rather than from attention to one or two items that we may expect to secure strong healthy bodies. Over-attention which amounts to a fad is frequently harmful, because it concentrates attention on one thing as if this were the only important point worthy of serious consideration and attention. Use milk and pay attention to diet but do not neglect the other health needs of the body.

Questions concerning Health, addressed to the Canadian Medical Association, 184 College Street, Toronto, will be answered personally by letter.

### A BACHELOR'S WISH

Of all the creatures in the world, I'd rather be a girl.

I'd cut my hair so bobbed That I wouldn't have to curl. I wouldn't wear overalls, For that would be disgrace. I'd wear the very niftiest dress— Just to be in the race.

I'd like to be a flapper, As it surely would be nice, If I didn't have the money. Some gent would have the price. I'd go and get some white wash, And then I'd get some paint; I'd polish up my nose and chin, And look as though I'd faint.

I'd wear ear rings in my ears— The biggest I could get. I'd take out all my old teeth And get a nice new set. I'd wear rings upon my fingers, And bells upon my toes; Then I'd take in all the dances, And go to all the shows.

I'd lace myself around the waist As tight as I could get. If the strings weren't tight enough I'd use a lariat. I'd wear fur upon my collar, And heads upon my dress; I'd wear the dearest hoisery— Silk I think would be the best.

On my dress would be side panels; A train upon my back, And when I'd go to fox trot, I'd take it off my track. Oh, if I was a flapper, I'd try to have good fun; I'd go to all the dances And dance with every one.

The way they paint and decorate, It surely must be nice, I'd keep their reputation up If I had to paint up twice. But as it is I am a man— I think it is a shame. I'd rather be a flapper, So's I could change my name.

Anyone wishing to sing the above can use the tune of "The Wearing of the Green."

—ONLOOKER.

## THE BOOK OF ALBERTA

### Chapter III.

1. And behold there dwell in the plains country over against the mountains which are called the foothills the tribe of Ufa, who had many sons and relations and much land, and his flocks and his herds did cover the country even beyond the river that is called Peace.

2. And many smaller tribes did join with Ufa to possess the land which was very good, and they did produce much corn.

3. And Ufa was greatly swollen with his own importance and he said to those who had joined him, "Look ye about; have we not all the corn and wine and the meat? And yet we prosper not?"

4. Let us drive out those that rule over us and take tribute from us, even the Merchants, who are the

sons of Bishas, who buy and sell in the market places. They have robbed us of our birthright. Let us make of them hewers of wood and drawers of water.

5. Behold we are great in numbers and have much power, and Henry the Wise hath shown us the way.

6. And it came to pass that Ufa sent his son, who is called John, to rule over the people, saying to them "He shall lift the burdens from off thy backs, even the burdens that the sons of Bishas have placed upon you. And verily we shall enjoy great prosperity and become an independent people."

7. So it came to pass that John did call together his wise men to rule in the land, and Ufa was greatly pleased and did increase his flocks and his herds, and did raise more corn.

8. And then did John say unto his younger brother, who is called Co-op, who is learned in the ways of business: "Go thou into the market places and buy and sell. Take with thee thy cousins and thy cousins' friends and drive out the merchants, who are the sons of Bishas, for it is the will of thy father Ufa that there should not be one of them left in the land."

9. And Co-op, did as he was commanded and John and the wise men did supply him with much money, for he had none of his own.

10. And it came to pass that John read his wise men and Co-op did grow very fat and they said among themselves, "Truly this is a land of beer and honey." And they did travel much over the land in big cars, and some did even fly through the air in their haste to spend people's money.

11. And Ufa became greatly alarmed when his flocks and herds did disappear and his corn did bring him little money. And his friends did fall away from him and revile him, saying, "Where is the prosperity thy sons would bring us?"

12. "Behold, none prosper save thy sons who have deceived us, and their friends."

13. "And where are the merchants

## Neighborhood NEWS

### FALUN

E. E. Mattson is in Edmonton for two weeks, where he is under medical treatment.

Victor and Bill Lindstrom left for Vancouver on Wednesday last. They will return with machinery and other effects that Bill has out there.

On Wednesday evening last a small crowd gathered at the skating rink to skate and also enjoy the dancing. Weiners and coffee were served.

On Thursday evening last (Tillie Holmlund was pleasantly surprised when a number of friends came for the evening in honor of her birthday. Games and singing were enjoyed by all. A lovely luncheon was served at midnight and all left after singing "For She's a Jolly Good Fellow."

The community was very excited on Friday last when it was learned that little Donna Mattson had the scarlet fever. There are no other cases in the community and every precaution is being taken to prevent any others. At last reports Donna was improving.

The Falun W. held a very successful dance in the Lone Ridge hall on Friday, March 17th. A large crowd was in attendance, and with Sjogren, Steedman and Thorne as orchestra, the evening ended all too soon.

### PENRON PARK

The Y.P.C. held a very enjoyable meeting at the home of Mrs. Cortez Lucas. Miss Violet Stanley led the community singing, which was very much enjoyed.

Mr. Percy Stanley is around again after his operation for tonsillitis.

The secretary reports that the plans of school grounds submitted for inspection has passed. It is now up to the School Board and district to put them into effect.

A number of friends gathered at the home of Mr. and Mrs. Jack Nowell to celebrate the occasion of their fourteenth wedding anniversary.

The district regrets to learn of the illness of Mrs. Bleiler, and hope for a speedy recovery.

The next meeting of the Y.P.C. will be held at Mr. Stanley's on March 27th.

Miss Christina Zohner returned home after visiting friends at Falun.

### COAL LAKE

The regular monthly meeting of the Coal Lake local will be held the 1st Wednesday evening of April. Instead of the second, as in the past. Besides the usual order of business, there will be a meeting of the shareholders of the Crooked Lake Community Hall.

### BITTERN LAKE

Miss Nora Roper came down from Edmonton on Friday to spend the week-end with her folks.

R. J. Daley went to Edmonton on Friday, to spend several days on business.

Clayton Gouchee, who has been up north for the past year and a half, arrived home on Friday to visit with his folks and friends for a couple of weeks.

Miss Eleanor Graham of Strone, is spending this week visiting at Daley's.

Chas. Howarth went to Edmonton last week-end to consult a doctor.

Miss Margaret Gouchee left on Saturday morning for Drumheller to be with her sister, Mrs. Baker, who is ill.

Mr. and Mrs. Wm. Altwater and family spent Sunday at C. Smith's, Harvest Home.

Oswald Kroening, near Dried Meat Lake, visited in the district on Saturday.

Mr. S. Derval went to Edmonton last week-end to spend several days on business.

Mr. W. Hewko has rented a farm at Mayerthorpe, and will be moving away in the very near future.

Mr. Logan of New Norway, has rented the farm formerly owned by Mr. Hewko, and is busy moving.

### NEW SWEDEN

Mrs. Wm. Schantz spent a couple of days at Thorson's in Bear's Hill, last week.

Mr. Eads of Breton, visited at G. W. Johns over Sunday.

Eloph Anderson and Gus Anderson accompanied Leslie Lilledahl out west to his farm last week.

Harry Logten and family attended a birthday party at Ed. Johnson's on Saturday night.

Friends of Mrs. G. F. V. Watson

will be glad to know she is improving in the hospital where she was removed a week ago. She is suffering from pleural pneumonia.

The play put on at Nashville school on Saturday evening by the Sunbeams Club, was very successful, and the school was filled to capacity.

Mrs. A. Doupe was removed to the Community Hospital, where she underwent an operation. We all hope for her speedy recovery.

J. E. Larsen of Strone, visited with his daughter, Mrs. E. Anderson, Thursday and Friday. He was on his way home after attending the Municipal Convention in Calgary.

When a married man hauls up mud, what of it? But when a bachelor does, what of that?

The Mission Ladies' Aid will meet at the home of Mrs. A. Swanson on Wednesday, March 29th.

An infrequent, but otherwise quite pleasant sound can be heard in New Sweden lately. After due contemplation as to what the source of the sound is, people have concluded it is wedding bells not too far distant.

### GWYNNE

The play by the Gwynne girls' softball club, at Bittern Lake last Friday was a success. Quite a large crowd turned out. The girls wish to thank everyone who helped, especially the Bittern Lake ladies who helped with the lunch.

The play at Nashville school last Saturday by the Nashville Sunbeams was a success, and enjoyed by a large crowd, the schoolhouse being filled.

Genevieve Cabush spent the week-end at her home in Edmonton.

### NAVARRE

Mr. and Mrs. Earl Berry entertained about sixty friends at a house party last Friday evening. An enjoyable time was spent at cards and dancing, and a dainty lunch was served at midnight.

Mrs. E. Lundell will entertain the country group of the Swedish Lutheran Ladies' Aid at her home on Friday afternoon of this week.

The Schell family, Mrs. Ivy Rix and Rita and Ernest Liddgett spent Sunday at the Ernest Felling home in Wetaskiwin.

Mr. Soles and Mr. Darguist of Buck Lake, have been spending a few days in this district on business.

### MILLET

One of the early settlers of the Millet district passed away Wednesday morning of last week in the person of William H. Campbell, at the age of eighty-seven years. He was born at Belleville, Ont., on August 14th, 1846, and was married to Miss Har- rdy in 1867. To this union seven children were born, six of whom are living, namely, Mrs. E. Pogue, of Millet; Ray of Edmonton; Sydney of Whiteside, Mont.; and Mrs. A. E. Armlson, William and Frank of Kallispell, Mont.

The deceased lived in Belleville for a number of years when he moved to Michigan, where he remained a short time before moving to the Leode district where he took a homestead. He had been troubled with rheumatism for the past eight years, and had a bad attack of the flu last November from which he never recovered. For several years he has lived with his daughter, Mrs. E. Pogue, and he passed away at her home.

Mr. Campbell was a member of the Latter Day Saints Church, joining in Millet in 1908. The funeral was held in the United Church, Millet, on Friday last, Rev. Mr. Smith officiating. The musical selections were very impressive, Mrs. Percy Aikens and Mr. Higginson singing a duet "Over the River"; the choir sang "Will the Circle be Broken," and the hymns were "Rock of Ages," "Jesus, Lover of my Soul," and "Peace, Perfect Peace." The floral tributes were many and very beautiful, and a large crowd attended to pay their last tribute of respect. The pallbearers were Messrs. J. Olin, R. P. Ropp, Robt. Booth, Robt. Elder, Fred and Keith Thompson. The interment took place in the Millet cemetery.

### MULHURST

(Intended for last week)

Mr. Fred Dowler, accompanied by Mr. Gordon Pocock of Calgary, visited his home here. After several days stay, they returned again. On account of the depth of snow, he was forced to leave his car at the South End, and was met by Joe Dowler with a team and sleigh.

Mr. Graves and Miss Ida Graves were Edmonton visitors, and were also delayed by the snow storm.

The mail man was almost twenty-four hours overdue, trying to negotiate the roads between Mulhurst and Thorsby.

The extension of the commercial

fishing season to cover an additional 50,000 lbs. of whitefish is welcomed by the local fishermen. The nets have been in since noon March 15th, and although the catch is not coming in as fast as last winter, there is no doubt the quota will be reached shortly. Weather so far has been ideal, clear and cold. Friday, however, dawned foggy late turning into a light snow, obscuring visibility on the lake. This is somewhat hazardous as the lake surface is covered with innumerable fish holes. A truck was reported to have backed into one. The packing plants are working overtime. Roads are heavy and most of the freighting will be done with sleighs.

R. T. Rodd is a business visitor in the district.

Miss Betty Dowler has left for Calgary where she will spend several weeks visiting her cousin, Miss Francis Tuckett.

C. Moody is also a Calgary visitor.

Mrs. Groat and Mr. Bill Dowler motored to Edmonton by way of the South End.

We wonder who the fisherman is who has such delightful sleigh bells. They do not merely tinkle, they chime, their cadence ringing out crystal clear on the frosty morning, and as the eager horses break into a trot, the rhythmic beat is changed and one can almost hear "Jingle Bells." It's a case of riding to music.

### HILLSIDE JUNIOR U.F.A.

The monthly meeting of the Hillside Junior U.F.A. was held in the schoolhouse on the 15th.

The roll call was answered by "What three books I would take if I went to a deserted island." This was followed by the reading of the minutes of the previous meeting.

Considerable discussion took place about staging the junior play in Millet, and a committee was appointed to look into the matter.

It was decided to purchase two more books of the University reading course.

The meeting approved of sending a delegate and a visitor to the University Farm Young People's week in June, and it was decided to send \$5 to the Junior Conference Fund.

An open forum debate followed the business, "Resolved that girls should pay 'dutch' treat." The debate caused much amusement, with the affirmative gaining the decision.

A new member joined the local.

The next meeting will be held at the home of Mrs. Dowdell on March 17th. Misses May Gray and Kathleen Marx will assist Mrs. Dowdell with the social program.

### V. E. THOMPSON ELECTED

(Continued from Page 1)

The Director of Surveys re the land required for the Camrose Highway from certain lots in Gwynne under Tax Recovery Proceedings. Moved by Coun. Johnson that the land required be transferred to the Crown but without cost to the Municipality. Carried.

An agreement was presented to the Council as between this Municipality and the Community Hospital re the care of indigents. Moved by Coun. Johnson that the Reeve and Secretary-Treasurer be empowered to sign the agreement. Carried.

An application for old age pension from R. P. Williams was submitted to the Council. This application was tabled for further investigation: to be made.

The Canadian National Railway advising that the District had been awarded the first prize in the Community Progress Competition. The money, \$1,000.00, is now deposited in the bank in Wetaskiwin.

The Department of Municipal Affairs, advising the Council that the argument submitted re the residence of Mr. S. Richards was upheld by them, and that this Municipality would not be held responsible for payment of the accounts.

Moved by Coun. Lundeen that this Council recommend to the Canadian National Railway that the prize money won be used to develop and increase the number of recreation grounds in the Municipality, and that a donation of \$50 be made from the fund to the Junior Grain Club (Bul- yea) to create the necessary fund to ensure the purchase of the seed from year to year. Carried.

Moved by Coun. Johnson that the Secretary's salary for 1933 be reduced to \$120.00. Carried.

Moved by Coun. Ballhorn that C. D. Enman be re-engaged as auditor and that his remuneration be \$100. Carried.

Moved by Coun. Johnson that a grant of \$50.00 be made to the Salvation Army for their rescue work. Coun. Lundeen moved an amendment that the sum be \$75.00. The amendment carried.

Moved by Coun. Hunkbe that a grant of \$25.00 be made to the Bulnah Home. Carried.

Moved by Coun. Shantz that a

grant of \$25.00 be made to the Junior Red Cross Society. Carried.

A petition was presented to the Council signed by 23 ratepayers requesting that the Council have surveyed a new road to Duhamel along the southerly boundaries of Secs. 35 and 36-45-22-4, that the land be purchased and the road built. The petition was laid on the table until the next meeting.

Mr. Lattimer interviewed the Council and asked for relief. Moved by Coun. Lundeen that if he is unable to find work before May 1st, he be granted relief at the rate of \$2.00 per week until that date. Carried.

Moved by Coun. Hunkbe that the following be appointed fire guardsmen for 1933: Leo Busard, E. B. Switzer, O. Greenwall, J. Schroeder, T. J. Jevne, H. S. Williams. Carried.

Moved by Coun. Johnson that the following be appointed to the Hospital Board: Coun. Ballhorn, D. E. Widen and Mrs. L. H. Emberton. Carried.

Moved by Coun. Hunkbe that the Municipality should be divided into three districts for the purpose of weed inspection that a weed inspector be appointed to each district and that these districts be composed as follows:

District No. 1—Electoral Divs. 1 and 3.

District No. 2—Electoral Divs. 2 and 5.

District No. 3—Electoral Divs. 4 and 6.

That the inspectors be paid \$3.00 per day and 10¢ per mile necessarily travelled in the performance of their duties. Carried.

Moved by Coun. Ballhorn that the remuneration for Councilors for 1933 be \$3.00 per day both for supervision and meetings and 10¢ per mile necessarily travelled in the performance of their duties. Carried.

Moved by Coun. Lundeen that a card be made and hung on the office door showing the hours that the office be open which hours shall be 9:30 a.m. to 12:30 p.m. and 2 p.m. to 6 p.m. on Saturdays 9:30 a.m. to 12:30 p.m. and 2 p.m. to 3:30 p.m. Carried.

Moved by Coun. Shantz that the relief of \$10.00 per month be continued to N. Forbes for the months of March and April. Carried.

Moved by Coun. Lundeen that the relief at present paid in the cases of H. Holtnier and K. J. Detcheur be continued. Carried.

Moved by Coun. Ballhorn that the Council do borrow from the Bank of Montreal the sum of eighteen thousand dollars to meet the current expenditures, and the sum of twenty-four thousand dollars demanded by the School Districts. Carried.

Moved by Coun. Johnson that the Secretary be the delegate from this District at the Municipal Hall convention to be held in Calgary on March 15th. Carried.

Moved by Coun. Johnson that the Secretary write the following School Districts pointing out their financial position, returning the estimates already submitted and requesting them to reconsider them with a view to a reduction: Battle Lake, Bul- yea, Central Valley, Cherry Grove, Crooked Lake, Harvest Home, Haultain, Hoover, Lucas, Roseland, Verdun and Wang. Carried.

After the bills and paychecks were passed for payment the meeting adjourned.

## Hints for the Household

### NEW CONSTITUENCY AT JASPER PROPOSED IN REDISTRIBUTION

Ottawa, March 17.—Plans of the government side for the redistribution of the parliamentary seats in Alberta which have been drawn up contemplate several changes in Calgary and Edmonton West, slight changes elsewhere, and creation of a new constituency to be known as Jasper.

It will be bounded on the north by the constituency of Peace River, on the south by Red Deer, and on the southeast by Wetaskiwin and a small part of what is now Edmonton West.

The proposed new constituency will run west to the British Columbia boundary and will include Edmonton and the coal district. To this new district would be attached Morinville and Legal, now in Edmonton West.

Edmonton will include St. Albert and a small country district west and to the north of the city, along with the city proper to the boundary of Edmonton East.

Fort Saskatchewan will be in the western riding.

A meeting of the board of the Wetaskiwin Community Hospital was held on Friday evening last, in the Wetaskiwin council chamber, when it was decided to defer the election of officers and the reorganization of committees until after the agreement admitting the Municipal District of Bigstone as a unit was signed by the council of the M.D. Montgomery, the M.D. Bigstone and the City of Wetaskiwin.

A draft of the above mentioned agreement, which had been prepared by C. H. Russell, solicitor, was discussed and referred to the respective councils for ratification.

An agreement between the M.D. Montgomery and the Community Hospital board, drawn for the purpose of guarding against overcharges of other hospitals for treatment of residents of the M.D. Montgomery was tabled after discussion.

A committee was appointed to confer with representatives of the M.D. of Peace Valley on April 4th, when plans re hospitalization of residents of that district are to be discussed.

Accounts to the amount of \$573.01 were passed for payment.

The matron's report showed that 43 patients had been admitted during February and that there had been 15 operations and 6 maternity cases.

A grounds committee composed of Mayor Torsen, Messrs. Ballhorn and Stroehlein, with Chairman Ellis, was elected.

### STATE OF KANSAS MAY HAVE HALF A CROP

With the approach of spring interest is centered around the development of the winter wheat crop of the United States. Private advisers from Kansas are quite pessimistic and one estimate places the prospective crop of that state at around 63½ million bushels. The average winter wheat crop of Kansas for the past five years has been 128 million bushels so that if this estimate is fulfilled this year's crop will be less than half of this average.

With the Times has a very fine range of wedding stationery and are able to quote very reasonable prices on this class of work. Our type is up-to-date and there is no occasion to have this work done outside of Wetaskiwin. 17-4ts

COOKING HINTS  
French Dressing  
Proportions for making French dressing are always 3 to 1. 3 tablespoons, of oil to 1 of vinegar.

Method: Mix dry ingredients. A little sugar, Pepper, Salt. A little mustard. Blend well. Pour into a bottle and shake well. This is an ideal way to keep a bottle of French dressing made up.

Cod Fish Balls With Egg Sauce  
Mix flaked cod fish with equal quantity of mashed potatoes. Shape in balls and fry.

Serve with a thick white sauce in which has been cut up slices of whites of hard boiled eggs. Pour over cod fish balls. Mash yellow of egg together and sprinkle liberally over the top. This makes a pretty dish.

## NOTICE TO CREDITORS AND CLAIMANTS

In the Estate of THOMAS GARDNER, late of the Post Office of Wetaskiwin, in the Province of Alberta, Farmer, Deceased.

Notice is hereby given that all persons having claims upon the Estate of the above-named Thomas Gardner, who died on or about the 22nd day of January, A.D. 1933, are required to file with Carrie E. Gardner of the Post Office of Wetaskiwin, in the Province of Alberta, Administrator, or with the undersigned Solicitors by the 22nd day of April, A.D. 1933, a full statement duly verified of their claims and of any securities held by them, and that after that date the Administrator will distribute the assets of the Deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed, or which have been brought to her knowledge.

Dated this Sixth day of March, A.D. 1933.

ODELL & RUSSELL,  
Solicitors for the Administrator,  
Wetaskiwin Alberta.

On March 13th the visible supply of wheat in the United States totaled 142,431,000. The figure at the same date last year was 207,215,000.

## WEEKLY STOCK MARKET REPORT

The following is a report from the Edmonton Stock Yards, as supplied to The Times for the week ending March 21st:

**Receipts:** Cattle, 496; Calves, 121; Hogs, 2045; Sheep, 111.

Receipts so far this week have been on the light order, with the bulk of offerings consisting of plain quality. This, coupled with an indifferent attitude on the part of buyers has created a decidedly slow, dull market, with sales up to Tuesday really insufficient to make or establish a price. The following are the prices quoted:

Bulk of good to choice lightweights \$3.50 to \$4.00; odd especially choice ones during this past week sold up to \$4.50; mediums \$2.75 to \$3.25;

## SALE OF TIMBER

**PUBLIC NOTICE** is hereby given that the Agent of Provincial Lands, Edmonton, will offer for sale by public tender at 2:30 on Wednesday afternoon, March 22nd, 1933, at Room 532, Administration Building, 10th Street, Edmonton, Alberta, the right to cut timber under Permit on Berth No. 5113, comprising the North East quarter of Section 6, Township 46, Range 2, West of the 5th Meridian.

The Berth shall be subject to a rental of \$10.00 per annum and one-half the cost incurred by the Crown for guarding the timber from fire shall be defrayed by the permittee, the Crown defraying the other half. The Berth will be awarded to the person tendering the highest bonum in cash, which bonus shall not be less than \$10.00 per quarter-section, or fraction thereof, and the successful tenderer will be required to deposit the sum of \$50.00 which deposit shall be held until the Berth is cancelled as a guarantee that the purchaser will pay all rental, royalty and fire guarding charges, will remove all merchantable timber from the Berth and will dispose of the brush and other debris to the satisfaction of the Timber Agent, failing in any one of which the deposit shall be forfeited.

The deposit referred to herein together with the first year's rental must be paid immediately upon acceptance of the tender.

All timber cut on the Berth shall be subject to payment of dues as provided for in Section 40 of the Timber Regulations.

No tender will receive consideration unless presented in person at the time of sale and accompanied by the full amount of the bonus.

The tenure of the Berth shall be for one year but provided operations are conducted in a manner satisfactory to the officers of the Department and payments are being made satisfactorily, renewal yearly permits may be granted for a second, third, fourth and fifth year, but no further permit shall be granted.

For further particulars see the Timber Regulations, a copy of which may be obtained on application to the Agent of Provincial Lands, Edmonton, or to the Administration Office, Department of Lands and Mines, Edmonton.

J. HARVIE,  
Deputy Minister,  
Department of Lands and Mines,  
Edmonton, Alberta.

March 15th, 1933.

M.D. OF BIGSTONE NO. 459

**PUBLIC NOTICE**

Public Notice is hereby given that there has been introduced in the Council of the Municipal District of Bigstone No. 459 a by-law of which the following is a short synopsis:

"Under the authority and subject to the provisions of The Domestic Animals Act (Municipalities) the Council of the Municipal District of Bigstone No. 459 enacts as follows:

"All domestic animals shall be prohibited from running at large during the entire year in the following areas:

1. All Township 47 in Range 27, West of the Fourth Meridian.  
2. All Township 47 in Range 28, West of the Fourth Meridian.  
3. All the portion of Township 48 in Range 27, West of the Fourth Meridian, lying within the boundaries of the Municipal District of Bigstone, being sections 1, 2, 3, 4, 5, 6 and 7.

4. All that portion of Township 48 in Range 28, West of the Fourth Meridian, lying within the boundaries of the Municipal District of Bigstone, being sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12; and a copy of same may be seen at each of the following places, Mulhurst P.O., Bonnie Glen P.O., Canyon Creek School, Bonnie Glen School, and further that unless within thirty days from the publication of this notice at least eight resident ratepayers of the area affected petition the Council to submit such by-law to the vote of the resident electors in the area affected the Council will proceed to pass the same.

If even a few friends of The Times will only remember us from week to week in a little way, it will help amazingly to make this paper much newer and therefore that much better from the real test of a paper, the subscriber's standpoint.

## Electric Soil Heaters

— for —

## Frames and Greenhouse Benches

## Automatic Heat Control Has Many Advantages For Amateur and Professional Gardeners

- Gives hot frames the flexible temperature control now exclusively held by hot houses.
- Soil Heater supplies heat only when necessary. Manure is uncontrolled.
- With ordinary care and properly banked, framed Soil Heated hot frames can be used in mid-winter, although their greater use is in early spring and fall work.
- Even when heat is not required for forcing growth, the Soil Heater Thermostat can be set as a guardian against unexpected frost.

- Four square yards of Soil Heated hot frame in the middle of winter maintains 60 degrees minimum temperature for two months on approximately 216 kilowatt hours.
- The flexible temperature control of the Soil Heater permits controlled plant growth, hardening off when desired, and advantage being taken of favorable market conditions.
- Existing hot frames or benches may be used without extensive rebuilding and the same set-up can be used year after year.

Our Local Managers will be glad to give you further particulars regarding economical cost and proven results of Soil Heating by Electricity.

### COMMUNICATION

[We do not necessarily endorse the sentiments advanced by this or any other correspondent under this heading.—Ed.]

#### WHAT MEANETH THESE THINGS?

When we look out upon the world to-day and see such unrest and dissatisfaction, and hear of wars and rumors of wars, and earthquakes in many places; this C.C.F. movement, the United States and England and other countries crying out for a super-man to take the reins of government, the question is asked, "What meaneth these things?"

Let us look into the infallible and unchangeable Word of God which He has placed in our hands to guide our steps along life's pathway.

In Matthew, the 24th chapter, he beginning at the 3rd verse we read, "And as He (Jesus) sat upon the Mount of Olives, the disciples came unto Him privately, saying, 'Tell us, when shall these things be, and what shall be the sign of Thy coming and of the end of the world?' And Jesus answered and said unto them, 'Take heed that no man deceive you. For many shall come in My Name, saying, I am Christ; and shall deceive many. And ye shall hear of wars and rumors of wars; see that ye be

not troubled; for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom; and there shall be famines, and pestilences, and earthquakes, in divers places. All these are the beginning of sorrows.' From the 23rd verse: 'Then if any man shall say unto you, 'Lo, here is Christ, or there,' believe it not. For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect. Behold, I have told you before, Wherefore if they shall say unto you, 'Behold, he is in the desert,' go not forth; 'Behold, he is in the secret chamber,' believe it not. For as the lightning cometh out of the east, and shineth even unto the west, so shall also the coming of the Son of man be. For whosoever the carcasses lie, there will the eagles be gathered together. Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the power of the heavens shall be shaken; and then shall appear the sign of the Son of man in heaven; and then shall all the tribes of the earth move, and they shall see the Son of man coming in the clouds of heaven with pow-

er and great glory. And He shall send His angels with a great sound of a trumpet, and they shall gather together His elect from the four winds, from one end of heaven to the other.

"Now learn a parable of the fig tree; when his branch is yet tender, and putteth forth leaves, ye know that summer is nigh. So likewise ye, when ye shall see all these things, know that it is near, even at the door. Verily I say unto you, this generation shall not pass till all these things be fulfilled. Heaven and earth shall pass away, but My words shall not pass away. But of that day and hour knoweth no man, no, not the angel of heaven, but My Father only. But as the days of Noah were, so shall also the coming of the Son of Man be. For as in the days before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark, and knew not until the flood came, and took them all away, so shall also the coming of the Son of Man be. Then shall two be in the field; the one shall be taken, and the other left. Two women shall be grinding at the mill, the one shall be taken, and the other left. Watch therefore, for ye know not what hour your Lord shall come."

Let us now turn to II. Peter, 3rd chapter, beginning at the 3rd verse: "Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, and saying, where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of the creation. For this they willingly are ignorant of, that by the Word of God the heavens were of old, and the earth standing out of the water and in the water; whereby the world that then was, being overflowed with water, perished. But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men."

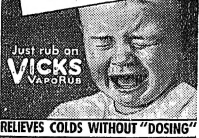

This super-man whom the world is crying for is none other than the Beast, of Revelation, 13th chapter, which is a man whose number is six hundred three score and six, the Anti-Christ, the one who opposes God. Before long the curtain shall be withdrawn, and this super-man shall be revealed and many people shall worship him, and bear his mark in their foreheads. Even now, already, people are voluntarily taking his mark; but woe unto them who shall bear his mark, for the Scriptures saith in the 14th chapter of Revelation beginning at the 9th verse: "If any man worship the beast and his image and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb; and the smoke of their torment ascendeth up forever and ever; and they have no rest day nor night, who worship the beast and his image, and whosever receiveth the mark of his name."

The present worldwide panic and depression in the commercial and financial world were predicted in the Bible hundreds of years ago in the prophecy of Zechariah, chapter 8, verse 10: "For before these days there was no hire for man, nor any hire for beast; neither was there any peace to him that went out or came in because of the affliction; or I set all men every one against his neighbor." That prophecy is being fulfilled before our eyes today.

Jesus, in speaking of these last days, foretells in Luke 21:25-28: "And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth, distress of nations, with perplexity, the sea, and the waves roaring; men's hearts failing them for fear, and for looking after those things which are coming on the earth; for the powers of heaven shall be shaken and then shall they see the Son of Man coming in a cloud with power and great glory."

## •••NIGHT COUGHS

Quickly Checked  
and a  
Restful Night  
Assured

And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.

The Lord is speaking plainly in these days, and He has revealed to us through His Word, the two ways: the way of life, and the way of death. In Matthew 7:13-20, we read, "Enter ye in at the strait gate; for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: because strait is the gate and narrow is the way, which leadeth unto life, and few there be that find it. Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. Every tree that bringeth not forth good fruit is hewn down and cast into the fire. Wherefore by their fruits ye shall know them."

In the Gospel according to St.

John the 3rd chapter, from the 16th to the 21st verses, we read: "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life. For God sent not His Son into the world to condemn the world; but that the world through Him might be saved. He that believeth on Him is not condemned; but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God. And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For everyone that doeth evil hateth the light, neither cometh to the light, lest his deeds be reproved. But he that doeth truth cometh to the light, that his deeds may be made manifest that they are wrought in God."

"Seek ye the Lord while He may be found, call upon Him while He is near: lest the wicked forsake His way, and the unrighteous man his thoughts, and let him return unto the Lord, and He will have mercy upon him; and to our God for He will abundantly pardon." (Isaiah 55:6-8).

We are not saved through the act of joining a church, or observing the Golden Rule, nor of works, lest any man should boast. Not of righteousness which we have done, but according to His mercy He saved us, by the washing of regeneration and renewing of the Holy Ghost." Without the shedding of blood, there is no remission. "If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." "Behold, now is the accepted time; behold, now is the day of salvation." "Choose ye this day whom ye will serve, but for me and my house we will serve the Lord." "Forasmuch as ye know that ye were not redeemed with corruptible things, as silver and gold, from your vain con-

### Don't Allow Unsightly Pimples To Disfigure Your Face

The proper way to get rid of this unsightly skin disease is to go right to the seat of the trouble, the blood, and give it a thorough cleansing by the use of Burdock Blood Bitters. You will then have a smooth, clear complexion.

Mr. H. Shultz, Wain, Ont., writes:—"Three years ago my face and neck were covered with pimples. They were hard and inflamed, and itched so I used to scratch them which made them worse."

Nothing seemed to help me until I started using Burdock Blood Bitters. After the first bottle I noticed a change, so got another, and in a short time the pimples had all gone."

## HEADACHE

Here's Quick Relief

A lot of things can cause a headache or other pain, but there is one thing that will always give you relief. Just take a tablet or two of Aspirin. Your suffering ceases. Relief comes instantly, regardless of what may have been making your head throb with pain. Aspirin is harmless—cannot depress the heart. So there's no use waiting for a headache to "wear off." It is useless to endure pain of any kind when you can get Aspirin. It is a blessing to women who suffer regular systematic pain; to men who must work on, in spite of eye-strain, fatigue or neuralgia.

Perhaps business is dragging for the want of a helping hand, or a little more capital. Men with money and men with brains read this paper. You can reach them through our Classified Want Ads.

**A SQUARE PEG in a Round Hole**  
You may be alright, but if you are in the wrong position you are like a square peg in a round hole. You want a position where you fit. This paper is read by intelligent business men, and a Want Ad. in our classified columns will reach them.

# ---and and this to your profits

**N**O ONE can deny a man the right to spend his dollar where he may choose. It is his privilege to make his dollar produce the utmost in value. The decision as to where that value is to be found is, whether right or wrong, his to make. A tip on how to make the dollar go farther is permissible, however, and we suggest that you think about this:

**Dollar Doublers**  
Our Classified Want Ads. are real dollar doublers. In shoe leather and serious energy they will save you many times their small cost by helping to your door what you require, whether it be efficient help, a desirable borrower for surplus cash, a position or a demand.  
C A most convincing and irrefragable proof would be to try a Want Ad.

**It Goes To The Home**  
Our paper goes to the home and is read and welcomed there. If you wish to reach the housewife, the real arbiter of domestic destinies, you can do so through our paper and our Classified Want Ads. form an interesting and well-read portion of it.

THE LOWEST PRICE does not always mean the best buy. Comparative quality and many other things enter into the transaction. But let us take two identical articles ---one here, at home---the other out of town. Let's suppose the out-of-town price is lower delivered to your door by 5c or 75c than the purchase you can make at home. But it is not the most economical buy. That money is gone for good; it will never return to you; whereas if spent at home---well, here's an illustration:

A SHOEMAN owes a baker \$2.00 and gives him \$1.00, thus discharging fifty per cent of his debt. The baker owes a farmer \$2.00 for potatoes, so he pays the farmer half his debt with the dollar. The farmer purchases a pair of \$2.00 shoes, paying \$1.00 down. The shoeman uses the dollar to cancel his debt to the baker, the baker to the farmer, and the farmer pays for his shoes. The shoeman has paid his debt, made a sale and still has his original capital. So have the baker and farmer. That's COMMUNITY business. Three persons have made a profit on \$1.00 and it's still in the community to make more.

## The Dollar that Goes the Farthest is the one that STAYS AT HOME!

We are fully equipped mechanically and otherwise to give your Printing needs every attention. Make it a point to consult us on all your printing. ➡ Call in and see us or 'PHONE 27

**Reaching the People**  
A prominent real estate dealer in Toronto says that he gets better and quicker results from the Classified Want Ads. than from any other kind of publicity. He states that the results are out of proportion to the small expense involved.  
There is a moral in that for you if you want to reach the people.

**YEARS AGO** people used to make themselves heard by shouting from the house tops. If you tried that today you would probably have to appear before a commission in insanity. NOW-A-DAYS the business MAN uses our 'Want Ads.'

## AUDIEN THEATRE

Thurs., Fri., 8 p.m. Sat. 2:30, 7:30, 9:30 p.m. March 23-24-25

PAUL MUNI in

**"I AM A FUGITIVE from A CHAIN GANG"**

This is the authentic picture of Robert E. Burns' famous story, that created such a sensation all over the world. It's the most thrilling picture ever to appear on the screen. See it and know the truth about the Chain Gang. Comedies: RUTH ETTE in "BYGONES" and SPECIAL MELODY MASTER MUSICAL

Monday, Tuesday ONLY, 8 p.m. March 27-28

**"THE DEATH KISS"**

David Manners, A. E. Van Amburg, Bela Lugosi lead the cast of this mystery drama of the workshops of Hollywood. There is fine romance and melodrama. It is suspenseful and has the novelty of being "inside stuff" from the studios. Plan to see it from the start. TWO DAYS ONLY.

Comedies: ANDY CLYDE in "ARTISTS MUDDLES" "LOVE THY NEIGHBOR"

WEDNESDAY ONLY, 8 p.m. March 29

**"MAKE ME A STAR"**

Stuart Erwin, Zasu Pitts, Joan Blondell and Ben Turpin are the stars! The season's greatest fun-fest. The story of a small town boy with ambition to shine in the world. See how AND HOW. TWO SNAPPY MUSICAL COMEDIES

SPECIAL ADDED ATTRACTION

MONTGOMERY BROS. PRESENTATION OF

SPRING FASHIONS ON LIVING MODELS

This is good entertainment for the whole family. Come early for a good seat.

Thursday, Friday, Saturday March 30-31, April 1

ZANE GREY'S "MYSTERIOUS RIDER" EDNA BEST in "LADY PANNIFORD'S FOLLY"

## SECRETS of Tea Blending

\*\*\*The United Church W.M.S. will hold a home cooking sale on Saturday, April 22nd.

**FATAL ACCIDENT IN LEWISVILLE DISTRICT**

On Friday last a fatal accident took place at the Battle Lake school yard, when James Paxton had his clothing caught in the pulley of a sawing rig and was revolved several times, receiving injuries from which he died about three hours later, at Hobbema, while being brought to the Wetaskiwin Community hospital. He had been employed by Ernest Whitfield for about nine years and was assisting in cutting wood when the unfortunate accident happened. He was born in England and was aged thirty-two years. It is expected the funeral will take place Thursday afternoon.

**Attention!**

BRODY'S LTD. BOUGHT A CARLOAD OF

**SHOES**

IN THE EAST

They are redistributed to the stores. Wetaskiwin gets more than its share, and by adding to this the 1500 pair bought from the bankrupt chain of Stars Stores, you can expect the greatest shoe values in our history. WATCH BRODY'S SHOE SALE.

WETASKIWIN POST B.E.S.L. AND BAND AFFILIATE

A meeting of the executive of the

Wetaskiwin Post No. 86, Canadian

Legion, B.E.S.L., was held in the office of J. F. Inglis, on Sunday afternoon, all members being present

with the exception of Comrades Blackwell and Newby. Comrade President Williamson was in the chair.

There was also a committee from the Wetaskiwin Band organization present in the persons of Messrs. Thomas and Gonsche.

The business of the meeting occupied itself mainly in discussing ways and means with the committee from the band whereby an affiliation could be effected of the two organizations

that would work out to their mutual benefit. Satisfactory progress was made in this direction, but details and confirmation of the plan outlined by the committees, of necessity had to be left to the general meeting of the Band, Thursday evening, March 23rd, and to the general meeting of the Wetaskiwin Post, Canadian Le-

gion, Sunday afternoon, April 2nd.

Preparations were considered for the Vimy dance which takes place on April 7th.

## ALBERTA GERMAN BAPTIST CONFERENCE

The annual Conference of German Baptist Churches of Alberta conferred this year with the Wiesenthal Church (Millet) from the 18th to the 23rd of March. This church has a membership of over 100, and is situated in the midst of a thickly settled German community. The members of the church did their utmost to accommodate the delegates and visitors in their homes as well as serving tasty meals in the church. Practically all the German Baptist churches were represented by delegates. The meetings were all well attended and a fine Christian spirit prevailed throughout the gathering. It was encouraging to hear of victory in the Lord's work during these hard times when Satan tries all in his power to offset the cause of Christ. Quite a number of conversions were reported from the different churches during the past year. New fields of service open up and we feel led to pray the Lord of harvest for more means and men to carry on the Master's work. Our conference comprises 18 churches and several labor for our Master, realizing our mission appointments. The following ministers were present and took part in the program: Revs. D. Koester, Dayton, Ohio; A. Kraemer, Edmonton; Philip Daum, Leduc; F. A. Mueller, Edmonton; A. Kujath, Calgary; A. Hittermann, Carbon; E. P. Wahl, Trochu; C. Thole, Oils; Knaut, Forestburg, and Fred W. Benke, Wetaskiwin.

The evening services of the conference were of an evangelical nature. Stirring Gospel messages were delivered by the ministers. The morning session opened with a devotional period led by deacons of our different churches. Thematic Biblical themes were introduced and discussed. Of special interest was the report and discussion on our Bible school. This Institute has been the means of blessing to our churches and better training of our young people. On Saturday evening the young people rendered a suitable program. Sunday, the closing day, was also a time of spiritual feasting. In the forenoon our Mission service was held. Our mission offering amounted to over \$153. This amount is chiefly for our local mission work
